LB 110
LR 2

recognizes Senator Haberman, followed by Senator Landis.

SENATOR HABERMAN: Mr. President and members of the body, I do support Senator Withem's amendment. It does exactly what I started out to do. It puts a penalty clause in the bill, although there are some who feel it isn't needed, is covered somewhere else, however, this particular penalty clause is not anything different that isn't anywhere else in the statute, it is not too harsh. It's agreed to by the people who were upset about my first amendment and, as far as I am concerned, by putting it in this bill, there is no harm. It just makes the bill clearer. There will be no fussing or fighting or ifs or buts, because it is in the bill and it does conform to all of the rest of the political activities pertaining to employees in the State of Nebraska. If I am incorrect, Senator Withem, please correct me, but I do support his amendment. Thank you, Mr. President.

SPEAKER BARRETT: Thank you, Senator Haberman. Senator McFarland, on the Withem amendment.

SENATOR MCFARLAND: I would just say that I am supportive of the amendment as well. Thank you.

SPEAKER BARRETT: Thank you. Any other discussion on the amendment? Seeing none, all in favor of the Withem amendment will please vote aye, those opposed nay. Have you all voted? Record.
